

Club Rules

Formally known as Range Rules

The following pages contain rules that were established by the Hamilton Rod and Gun Club, Inc.'s "Range Safety Committee". It's purpose is to enhance the safety and health of NRA Range Safety Officers (RSO), Range Officer(s), those individuals using our ranges, the general public, and our environment.

These rules has been reviewed, and approved, by the Board of Directors (BOD) and failure to adhere to these rules could result in jeopardizing your membership privileges here at the Hamilton Rod and Gun Club, Inc. The HRG Safety Committee and BOD to ensure they remain current with local, state, and federal guidelines will review these rules each January of each year.

ALWAYS COMPLY WITH ALL LOCAL, STATE AND FEDERAL FIREARMS LAWS.

Shooting is inherently dangerous. As such, Club members and their guests engaging in normal shooting activities on Club ranges agree to hold Hamilton Rod & Gun Club harmless for any injury or death resulting from the inherent risks of the shooting activity.

GENERAL SAFETY RULES

1. Always keep the firearm pointed in a safe direction.
2. Always keep your finger off the trigger until ready to shot.
3. Always keep the firearm unloaded until ready to use.
4. Be sure the firearm is safe to operate.
5. Know how to use the firearm safely.
6. Use only the correct ammunition for the firearm.
7. Know your target and what is beyond.
8. Wear eye and ear protection as appropriate.
9. Never use alcohol or drugs before or while shooting.
10. Store firearms so that they are not accessible to unauthorized persons.
11. Be aware that certain types of firearms and many shooting activities require additional safety precautions.
12. NEVER mix alcohol and shooting.

GENERAL CLUB RULES

1. Persons under the influence of alcohol or drugs may not use the range.
2. No alcohol is permitted on the range, or in a range house. This includes members, guests, and/or companions. The Club Pavilion is considered a RANGE during indoors archery events including practice shooting; therefore, alcohol must be locked and secured and NOT consumed until all shooting is ended.
3. When posted "The Range is Closed", it is closed - No Exceptions. Every effort will be made to announce dates the range will be closed as early as possible.
4. No vehicles of any kind are allowed on the ranges.
5. No person or vehicle is allowed on the berms or backstop, as this will create unnecessary maintenance problems.
6. All range users must sign in and out using the "Range Log" sheet.
7. Guest are always welcome on our ranges providing they adhere to the rules of HRG and fall within the following:
 - The range is scheduled to be open to the public.
 - Accompanied by a member for the purpose of observing.
 - Accompanied by a member for the purpose of shooting when considering membership. This will be allowed only twice per year for any Life, Family or Adult membership.
 - Family members and relatives visiting from out of state when accompanied by a member.
8. All members and guest using our ranges must have valid FID cards, LTC Class A or B, or be directly supervised by a member holding valid credentials recognized by the Safety Committee and BOD. An exception is use of black powder fire arm.
9. Fully automatic firearms, firearms equipped with tri-burst capability, and/or the use of cranldre-bound (crank or BMF Activator in style) spring type trigger attachments or similar, ARE NOT ALLOWED - NO EXCEPTIONS.
10. Only conventional calibers are allowed, (i.e., No .50 caliber military BMG or similar). All black powder calibers are allowed.
11. No steel core, armor piercing, tracer, or ammunition considered to be incendiary or explosive are allowed on any range.
12. Firearms may be discharged on the range only, and only at targets in front of designated backstops, (not in front of posts or rails that are located on the range, and whose purpose is to support targets above the ground). In the case of Trap these targets may be either in the air or on the ground, but only in designated areas or fields.
13. All shooters must be directly visible from the firing line.

14. No shooting may commence until:
 - A. The shooter announces his/her intent to shoot by asking if the firing line is ready.
 - B. The shooter visually verifies that all persons on or at the range are wearing hearing and eye protection; this includes spectators.
 - C. The shooter determines that no one is down range or in harms way.
15. No one may go down range until:
 - A. Announce "Cease Fire" - make your firearms safe and clear.
 - B. All actions open and magazines removed.
 - C. Rifles shall have either: "open bolt indicators", their bolts removed, or others means to assure they are unloaded and safe.
16. No handling of firearms while anyone is down range and/or forward of the firing line.
17. No barrels or propane tanks are to be used as targets. Cans and plastic bottles may be used during club events or by permission of the appropriate Committee Chairman.
18. Aimed/Sighted fire ONLY. No "Hip" shooting, "Bump" firing, or other similar reckless firing activity.
19. Target debris must be removed by the shooter.
20. Shooters are responsible for picking up their spent brass and shotgun hulls and/or defective rounds.
21. Keys made available to members for the purpose of gaining entry to range(s) are not to be copied.
22. NO Firearms (handguns) are to be exposed in any area (BAR) were liquor is sold or consumed on Hamilton Rod & Gun Club property. If you are carrying a hand gun keep it concealed. The Club/Bartender will not take your firearm under any circumstance; you will be asked to leave and to secure it elsewhere. All other long guns are NOT allowed in any BAR area unless you have prior approval from the bar chairman/manager. As always it will be unloaded and secured and cased.
23. Campground area - campground is to close and all campers' equipment will be removed by the first (1st) weekend after Labor Day. This is for safety reasons, since the Hamilton Rod and Gun Club (UBC) season starts September 15th of each year.
24. Questions and comments will be directed to the Activity Chairman, Range Safety Committee and/or the Hamilton Rod & Gun Club, Inc. Board of Directors (BOD) in person or by mail, c/o the Hamilton Rod & Gun Club, Inc., P.O. Box 954, Sturbridge, MA 01566.

PLEASE KEEP OUR RANGES CLEAN. PICK UP YOUR BRASS AND TRASH. REMEMBER YOU ARE THE "UNOFFICIAL" SAFETY OFFICER WHILE ON THE RANGE.

ANY MEMBER IS EMPOWERED TO REQUEST ANOTHER PERSON ON GROUNDS TO PRODUCE THEIR MEMBERSHIP CARD.

REPORT ANY RECKLESS OR UNSAFE ISSUES TO THE COMMITTEE CHAIRPERSON OR CLUB OFFICER. PROVIDE NAME, DATE, TIME AND VEHICLE PLATE NUMBER.

ARCHERY

(RANGE SPECIFICS)

YOU ARE REQUIRED TO FOLLOW AND BE FAMILIAR WITH AND HAVE A WORKING KNOWLEDGE OF THE HRG CLUB GENERAL SAFETY RULES AND GENERAL RANGE RULES AS POSTED ON THIS RANGE.

1. Someone will be designated as the Archery Safety Officer during shooting.
2. Bows and arrows must not be drawn unless they are pointed toward the target butt.
3. An individual should stand in front of the target butts whenever another archer is behind the butts for any purpose.
4. Children and any spectators, regardless of age, must remain behind the farthest shooting line from the target butts.
5. Safety is Everyone's Business: Shooters with unsafe equipment, unsafe shooting practices, or who have been drinking will not be allowed to shoot.

RIFLE

(RANGE SPECIFICS)

1. Open Bolt indicators (OBI's) or others means to assure all firearms are safe are required for all firearms whenever anyone is down range.
2. Target holder frames provided by the club or duplicates provided by members are the only authorized target frames allowed. These target frames must be inserted in the target frame holder located behind each steel rail in the front of each impact berm.
3. Approved targets:
 - HRG provided targets.
 - Paper/Cardboard Targets.
 - Common free standing steel targets for pistols and/or rifles - Steel targets to be placed in front of the berm(s) and a minimum of 50 yards from the intended firing line.
 - Cans and/or plastic targets (shapes, bottles, etc.) can be used on a case-by-case basis per approval of the Rifle Chairman.
4. The firing line positions to the left are for shooting at 25 through 100 meter distance only. This ensures all firing is parallel to the range for safety reasons.
5. No targets are to be placed to the right or left of the safety berms such that a fired round does not safely impact a subsequent berm behind the target.
6. The steel rails installed at various distances on the range are for silhouette shooters using lower velocity, non-jacketed cast bullets and .22 caliber ammunition.
7. Shooting down range from the firing line is allowed. Any shooter shooting from a downrange position

must surrender their position when requested to do so by anyone wishing to shoot from the firing line. NO TACTICAL style shooting is allowed at any time unless it is a sanctioned event by HRG.

Tactical shooting is defined as:

- ◆ Precision shooting under improvised field positions.
 - ◆ Precision shooting at unknown distances.
 - ◆ Precision shooting under induced stress conditions, such as mild exertion, timed events (especially those requiring movement into position), fire on command and similar techniques.
 - ◆ Shooting steep departure angles from buildings, towers and rugged terrain.
 - ◆ Engaging moving targets.
 - ◆ Rifle manipulation drills, to include rapid reloading and /or magazine changes.
8. SHOTGUNS WITH SLUGS/SABOT AMMUNITION are allowed. Shooters are required to provide their own target frames and paper targets when using these weapons.
 9. You may use a shotgun with pellets for sighting or practice for any reason as long as you follow Rule 8 above.
 10. No walking over, climbing on or digging in the berms.
 11. No placing of targets on top of or directly on the berms.
 12. Homemade targets are to be kept low and in front of the berms.
 13. No shooter may park their vehicle on the range grass area; without prior approval of Chairperson. Non-street-legal vehicles are prohibited at the range.
 14. The range may be closed because of soil and weather conditions.

TRAP

(RANGE SPECIFICS)

1. All firearms must remain unloaded until the "scorer" or Range Officer determines the squad is ready. "Loaded" is considered as putting a live round in the chamber or magazine.
2. Shooters while not on a shooting station will carry the firearm with the breech open and unloaded. Pumps and semi-automatics will have the bolt open and unloaded.
3. Test shots will not be permitted without the permission of the "scorer" or Range Officer.
4. Shooters must stand with both feet within the boundaries of the designated shooting station.
5. All non-shooters and spectators must remain behind the firing line during the course of fire.
6. Instructors must notify the "scorer" or Range Officer if they will be assisting and/or instructing during the course of fire.
7. All shooters on a squad must have their own shotgun - no sharing or passing around of shotguns is al-

lowed.

8. Only one shell at a time will be loaded, two shells may be loaded when shooting a doubles course.
9. A shooter must not interfere with preceding or following shooters by raising their shotgun or otherwise creating a distraction.
10. Only shotguns of 12 gauge or less is allowed.
11. High brass and magnum loads are prohibited and only trap loads up to 3 dram equivalent may be used.
12. Only #7 ½, #8, or #9 shot are allowed.
13. Any discrepancy in scoring of a lost bird will be decided by the squad as a whole.
14. In the event of a malfunctioning firearm the remaining squad members shall make their firearms safe while the shooter clears the malfunction.
15. No shooters are allowed on the firing line during re-supply of the trap equipment. A "Red" cone atop the trap house will be displayed.
16. Each shooter is responsible to ensure his hulls do not remain at the shooting station at the end of each round.
17. The straw covered targets at the north end of the trap range are not to be used for any firearms shooting. This is for ARCHERY ONLY.

Pistol

(RANGE SPECIFICS)

1. Entry into the range house is through the locked front door leading into the "Quiet Room". Keys for this door may be purchased from the Welcoming Committee Chairman at the monthly New Member Orientation Meeting, with proof of membership and a valid license to carry (LTC) in the State of residence, NO EXCEPTIONS.
2. The Pistol Range is open to all ELIGIBLE members for practice and the sighting in of firearms except when the following is in effect;

 - C. A Club sanctioned Firearms training class.
 - D. Any Club planned activity listed on the Club web site or posted in the range window by the Pistol Chairman that affects the range.
3. Shooting down range from the firing line is allowed. Anyone shooting from a down range position must surrender their position when requested to do so by anyone wishing to shoot from the firing line.
 - Tactical style shooting is allowed when shooting from a downrange position only. Targets must be located forward of the 50 foot target stands.
 - When shooting from a down range position the range access door MUST be left open/ajar to illumi-

nate the RED shooting lights and alert newcomers that someone is down range.

4. When shooting from inside at the firing line, the access door leading to the outside range MUST be closed.
 - A. When going down range to change targets, etc. this door WILL remain open. This illuminates the RED lights over the shooting positions to indicate the range is NOT safe.
 - B. ALL firearms must be open and unloaded. No one should cross the RED Shooting Line or handle firearms for any reason until the door is closed and the lights turned off.
 - C. Before the door is closed and live firing resumes, a final check of the range should be done to ensure no one is outside.
5. Please place "Dud" cartridges (rounds that fail to fire/load) in the RED Dud Box located inside the Pistol House. Please sort your empty cases into the appropriate containers in the pistol house.
6. The following firearms are allowed on the pistol range for general shooting and practice.
 - A. All legal handguns.
 - B. All black powder hand guns.
 - C. All air rifles and air pistols.
 - D. Small Bore rim fire rifles .22 caliber only.
 - E. Pistol-caliber carbines/rifles in 9x19, .38Spl/ .357 Mag, .40 S&W, 44 Mag, .45 ACP, and .45 Colt.
7. Deliberate discharge of firearm inside the Range House is PROHIBITED, unless pointed down range at approved target.
8. Approved Targets: PLEASE CLEAN UP YOUR TARGET DEBRIS BEFORE LEAVING.
 - HRGC provided targets.
 - Paper/Cardboard targets.
 - Common free standing steel targets for pistols and/or rifles, steel targets are to be placed a minimum of 50 feet from the intended firing line.
 - Clay targets, Cans and/or plastic targets (shapes, bottles, etc) can be used on a case-by-case basis per approval of the Pistol Chairman.
9. Do not fire at any targets positioned directly over the steel target frames as this damages the frames and can cause ricochets.
10. If you have any questions or concerns about the Pistol Range, contact the Pistol Chairman directly.

NOTE: ANYONE who does not have a license to carry (LTC) must be under the direct supervision of a person with a valid LTC. This supervisor will NOT be engaged in any shooting activity during that period. (NO EXCEPTIONS)
